Personal and miscellaneous expenses not included.

*Homestay - single room, meals and airport pickup.

**Campus housing - suite-style room, meals, and airport pickup.

Institute of Intensive English

For students who need additional training in English, the college has its own ESL program, the Institute of Intensive English. What can the IIE offer you?

- More than 20 years of experience teaching English to students from around the world
- A warm, family atmosphere
- Small classes (average class size is 10)
- Excellent teachers
- Free textbooks
- Challenging core classes in: Reading & Writing, Vocabulary, Listening & Speaking, and Grammar.
- Interesting elective classes including: Conversation, TOEFL Preparation, American Culture, Idioms & Slang, Pronunciation, and Business English
- Free American conversation partners
- Field trips
- Academic advising
- College admission without TOEFL for students who successfully complete our highest level
- Choice of housing

Here in Idaho, everyone speaks English. So you will find many ways to practice what you learn in your classes. If you are a serious student who wants to learn English quickly, you will love our program.
