The WAA's Playhouse Parade a BIG Success!

What do you get when you have five terrific playhouses, 65 silent auction items, 192 tickets sold, and lots of food, fun and guests? You have a very successful first Playhouse Parade- Dream Homes for Kids!

Beginning with the debut of the playhouses in the Lewiston Roundup Parade in early September, playhouses really made the rounds in Lewiston! Following the very successful parade (which earned the WAA the Best in Show ribbon), a couple of the houses moved to

Roger's Toyota-Scion for some 21st Street exposure. The following weekend, the playhouses were taken up to a site across the street from the Nez Perce County Fair. The final week before the auction, all of the houses were on the L-C campus, an appropriate last stop. The culmination was the October 7th auction at the Red Lion Hotel in Lewiston. The Playhouse Parade Project Committee, with the help of many of L-C's student-athletes, transformed the Warrior Ballroom into the stage for the auction. Guests arrived at 6:00pm and were treated to a wonderful hors d'oeuvres table layout and all of the donated silent auction items to bid on.

When it was all over, the Warrior Athletic Association's Playhouse Parade raised over \$20,000 for Warrior Athletics. None of this could have been accomplished without the incredible support of the WAA Board and the community. Very special thank yous go to the Playhouse Parade Project Committee of Brad Cannon, Jill Balmer, John Roy, Rick Hill, and Mike Ripley.

The WAA Board now has its sights set on organizing the first Lewis-Clark State College Hall of Fame. The board is looking to hold a major event in the spring of 2007 to kick off the Hall of Fame. Watch for more details in the near future.
