OVERVIEW

In 1999, the **North Idaho Consortium for Higher Education** (North Idaho College, LCSC, University of Idaho, Boise State University, and Idaho State University) was created to enhance Idaho's Region 1 access to post-secondary education and training. Institutions agreed to establish and conduct cooperative and collaborative projects, programs, and/or initiatives which will enhance instructional and student service in the five northern Idaho counties of Kootenai, Shoshone, Benewah, Bonner, and Boundary. For information, visit www.idahogoes.org or contact the LCSC Executive Director for Coeur d'Alene and Region 1.
