

## THE COLLEGE-LEVEL EXAMINATION PROGRAM (CLEP)

CLEP enables students to earn college credit by examination. Students interested in earning credit through the CLEP program should contact the Office of the Registrar. A maximum of 32 semester credit hours may be earned through CLEP examinations. Transfer students with previous CLEP credit must request their scores be sent directly from CLEP, Educational Testing Service, Princeton, New Jersey, 08541 to the Registrar. Test results older than 10 years will not be accepted. In some cases, a locally administered essay will need to be completed prior to the awarding of credit. Listed on the next page are the required scores for transfer of CLEP exams to equivalent LCSC courses.

## ADVANCED PLACEMENT

The Advanced Placement Program (AP) is a testing program of the College Entrance Examination Board. High school sophomores, juniors, or seniors who have participated in an AP program during high school, or who have developed an equivalent background through self initiative, may take tests in any or all of the following areas: biology, calculus, chemistry, economics, English, US government, US history, music theory, studio art (drawing and general), physics, and psychology.

AP examinations are given in AP approved high schools during the third week of May. Further information on this program is contained in Guide to the Advanced Placement Program, College Board Publication Orders, Box 2815, Princeton, NJ 08540. AP credit is limited to 32 semester credit hours. (See chart)

See Requirements for the Advanced Placement Program on the next page.

## MILITARY CREDIT

Students who have served in the military may receive credit for their military occupations and/or specialized training. Students seeking military service credit may request an evaluation of their military education and experience. Students seeking such an evaluation must request official military transcripts be sent to the Office of the Registrar. A student may have up to 32 military credits transferred. The Registrar will only transfer in credits as a block total and may only transfer in 50% of the 32 credits (or 16) as block credits. Students wishing to transfer in the remaining 16 credits must equate these credits to actual LCSC courses via written recommendation from their advisor to the Office of the Registrar.

## REQUIRED SCORES FOR TRANSFER OF CLEP

DIVISION	TEST	MINIMUM SCORE	LCSC COURSE EQUIVALENCY	Cr.	TEST SATISFIES CORE REQUIREMENTS?
Business	Principles of Management	46	BUS 311	3	No
	Principles of Accounting	45	AC 231 and AC 232	6	No
	Intro Business Law	51	BUS 365	3	No
	Principles of Marketing	50	BUS 321	3	No
	Information Systems and Computer Applications	52	BUS 221	3	No
