

AAU Basketball at the Lewis-Clark State College Activity Center Facility Entry Information

To control traffic and to make the basketball arenas more accessible and user friendly for all involved, we ask that when attending Lewis-Clark State College AAU events to enter the facility at the specified locations.

Directions: Located at the center of the college campus on the east side, the Activity Center's main doors stand at the corner of 6th Street and 9th Avenue directly across from Harris Field in Lewiston. Team vehicles are welcome to unload and park at both the major parking lots located on the east and west sides of the Activity Center.

Entrances: When playing games on the Activity Center's Court #1 or Court #2, please enter the facility through the Activity Center's west entrance (shown directly below). Conversely, if your game is scheduled at the Auxiliary Gym enter through the Auxiliary Gym entrance. The east entrance located on 6th street will not be in use during AAU tournaments.
