NOTES, SUBSTITUTIONS & WAIVERS

The K-12 Reading Endorsement is recognized by the State of Idaho as authorization to teach reading at any grade level, K-12. Completion of this endorsement and an approved teacher education program enables graduates to perform the duties of a reading teacher at K-12 levels, and to act as reading resource teachers and consultants on reading improvement in their own buildings. This endorsement is also a valuable addition to all teaching majors at both the elementary and secondary levels, helping prospective teachers learn to deal more effectively with problem readers in their own classrooms, as well as to encourage reading development and enrichment among all students. A strength of the program is the inclusion of supervised practicums, which allows persons opportunities to work with a wide variety of readers. Please see your advisor for assistance with course selections for a Reading Endorsement.

The Praxis II exam required for a Reading endorsement is *Reading Specialist (#0300).*
