

INTERNATIONAL PROGRAMS OFFICE:

The International Programs Office facility is a single story building with a daylight basement. It has wood framed interior walls with brick veneer; the wood truss roof system is fitted with a new asphalt shingle roof. Originally moved to the Campus from Farragut Naval Base in 1948 to be the Campus Health Center, the building is now houses the Institute of Intensive English and the KinderCollege Daycare program as well as International Programs.

Each level of the building has grade access that makes it accessible for handicapped persons. Extensive remodel is not justifiable; functions housed in the IPO should be relocated to a modern building as funds are available. The building is 8,216 square feet and has a replacement value of \$1,208,039.
