

LEWIS-CLARK STATE COLLEGE TRANSFER GUIDE FOR NORTH IDAHO COLLEGE

Lewis-Clark State College makes it **easy to transfer** from NORTH IDAHO COLLEGE (NIC). We offer a broad range of academic and technical majors at our campus. Furthermore, we value the time and effort you've put into your education at NIC. The purpose of this guide is to show you which NIC courses match up with courses taught at LCSC.

The most **up-to-date transfer information** can be found on the **world-wide-web**. For changes and the latest updates, be sure to consult our web site or one of our **advisors**. The LCSC web site is:

<http://www.lcsc.edu/Admissions>

Admission Requirements:

Students who have completed at least 14 transferable semester credits from NIC with a 2.0 cumulative GPA or above will be accepted to LCSC. Students with less than a 2.0 cumulative GPA may be accepted on either warning or probation status OR may be denied admission, depending upon the total credits taken and cumulative GPA earned.

Admission Procedures:

- 1) Submit admission application with \$35 non-refundable processing fee. You may also apply at our web site.
- 2) Have NIC and any other college transcripts sent directly to the LCSC Office of Admission from the issuing institution.
- 3) If you have less than 14 transferable semester credits you must also submit final high school transcripts or GED scores as well as ACT or SAT scores.

Financial Aid:

If you have received financial aid at NIC, you may use the renewal application to apply for financial aid at LCSC by indicating on the form that LCSC is the school of choice. You may also apply for financial aid by completing the FAFSA and returning it to the federal processor.

NOTE: The priority deadline for financial aid is March 1. Your renewal application or FAFSA must be received by the federal processor by this date and you must have your admission materials submitted to the LCSC Office of Admission by this date.

Scholarships:

The application deadline for scholarships is March 1. For scholarship consideration, you must have your admission materials submitted to and received by the Office of Admission by this date. In some cases, you may need to complete a separate scholarship application which can be obtained by calling the Financial Aid Office.

continued on back of this page>

Student Housing:

LCSC offers many choices in residence halls, cooperative houses, and some house rentals at its Lewiston campus. Inquiries about housing should be made early in the year prior to the semester you wish to enroll.

Advising/Course Registration:

Once you are admitted to LCSC, information about orientation, advising, and registration will be sent to you. Registration for LCSC courses generally begins in April. If you are planning to enroll at LCSC, you will be asked to contact Career and Advising Services to schedule an advising and registration appointment.

Nursing:

The faculty of the BSN Program at Lewis-Clark State College are committed to excellence in nursing education and firmly believe in educational mobility for individuals within the profession. Credit may be awarded for Nursing, Core, Support, and General Education courses through CLEP tests and the Advanced Placement Program. College credit nursing courses completed with a grade of "C" or better at another institution will be evaluated on an individual basis by the nursing faculty. RN and LPN students may opt to challenge selected nursing courses when appropriate.

The Idaho Statewide Nursing Articulation Committee has developed articulation agreements among and between various levels of Idaho nursing education from practical nursing through baccalaureate nursing education.

Campus Visitation:

If you are interested in transferring to LCSC and would like to tour our campus and meet with a faculty advisor and/or enrollment advisor, contact the Office of New Student Recruitment. We would enjoy having you as our guest for a day as you explore your options with Lewis-Clark State College.

Campus Directory:

GENERAL EDUCATION CORE REQUIREMENTS 2009-2010

Transfer codes

COMMUNICATION

- To express ideas in clear, logical and grammatically correct written English.
- To understand how to obtain information in order to identify, retrieve, and use resources for study or research.
- To express ideas clearly, correctly, logically, and persuasively in spoken English.

EN

CM

English 6 credits required	ENGL 101 College Writing	3 cr	ENGL 109 College Writing & Research	6 cr
	ENGL 102 Research Writing	3 cr		
Communication 3 credits required	COMM 101 Fundamentals/Principles of Speech	3 cr	COMM 204 Public Speaking	3 cr
	COMM 202 Interpersonal Communication	3 cr	COMM 205 Logic & Argumentation	3 cr
	COMM 203 Small Group Communication	3 cr	PHIL 201 Logic & Argumentation	3 cr

MATHEMATICS

- To understand mathematics and quantitative methods as logical constructs and employ this understanding to solve problems and manipulate associated abstract symbols.

MA

Mathematics 3 credits required	MATH 123 Mathematics as a Liberal Art	3 cr	MTHPT 138 Math for Electronics	4 cr
	MATH 130 Finite Math	4 cr	MATH 143 and 144 College Algebra & Trig	5 cr
	MATH 130 A and 130 B Finite Math	4 cr	MATH 147 Pre-calculus	4 cr
	MTHPT 130 Math for Business Analysis	4 cr	MATH 157 and 257 Found./Elem Math 1&2	6 cr
	MATH 137 Algebra & Trig w/Applications	4 cr	MATH 170 Calculus I	4 cr
	MTHPT 137 Math for Technology	4 cr	MATH 254 Statistical Methods/Sciences	4 cr

HUMANITIES

- To understand how literature explores the human condition and examines human values.
- To understand the creative processes, aesthetic principles, and the historical traditions of one or more of the fine arts.

LL

DA

Literature 3 credits required	ENGL 150 Introduction to Literature	3 cr	ENGL 258 International Literature	3 cr
	ENGL 257 World Classics	3 cr	HUM 301 Literature and Culture	3 cr
Arts 3 credits required	ART 100 Survey of Art	3 cr	MUS 101 Survey of Music	3 cr
	HUM 101 Art & Society	3 cr	THEA 101 Survey of Theatre	3 cr
	HUM 150 Introduction to the Arts	3 cr		

NATURAL SCIENCES

- To understand science as a way of knowing and how it explains the natural world, and, by understanding these fundamentals, be able to employ critical thinking skills.

NS

DN

NS 150 PLUS one lab science 7 credits required	NS 150 Intro to Natural Science	3 cr	CHEM 111 General Chemistry	4 cr
	BIOL 100 Environmental Life Science	4 cr	FSCI 101 Intro to Forensic Science	4 cr
	BIOL 102 Science for Life	4 cr	GEOL 100 Environmental Earth Science	4 cr
	BIOL 120 Plants and People	4 cr	GEOL 120 Introduction to Earth Systems	4 cr
	BIOL 175 Human Biology	4 cr	NS 171 and 172 Integrated Science I & II	6 cr
	BIOL 252 Human Anatomy & Physiology I	4 cr	PHYS 111 General Physics	4 cr
	CHEM 102 The Chemistry of Daily Life	4 cr	PHYS 205 Descriptive Astronomy	4 cr
	CHEM 105 General, Organic & Biochemistry	4 cr	PHYS 211 Engineering Physics I	4 cr

SOCIAL SCIENCES

- To understand how the social sciences explain the relationship(s) between individuals, communities, and global structural forces, such as political and economic institutions.
- To understand the dynamic elements of a society's culture, as well as a culture's holistic aspects and its influence on all aspects of society.
- To understand the historical development of the contemporary world and how history explains the past.
- To understand how philosophy influences human thought and behavior.

DS

SS

Social Sciences two subjects minimum 9 credits required	ANTH 102 Cultural Anthropology	3 cr	HIST 112 United States History Since 1865	3 cr
	ANTH 120 World Prehistory	3 cr	HRPT 184/ SS 184 Diversity /Organizations	3 cr
