It's *your* WAA...

Your Warrior Athletic Association continues to grow in 2005; both in new members, up 5%, as well as in dollars raised, up 22%. The WAA Board now consists of 14 community leaders that donate their time to assist in directing the growth of athletic development through the outreach efforts of the organization. Continued growth at the current double-digit percentage rate will require the efforts of the membership.

Help direct your WAA by attending the Warrior Athletic Association's Annual Meeting, scheduled for May 5th, at the Lewiston Red Lion Hotel, social begins at 5:00pm, with the meeting beginning at 5:30pm. The primary purpose of this meeting is to review the past year's finances, accomplishments, and to vote for officers for the next fiscal year. At this year's meeting, the WAA Board would like to introduce the opportunity for the membership to assist in continuing this growth. Seven project areas have been identified as target growth areas. They are: Membership, Golf Tourney, Sport Lunches, Auction, Social, Planned Giving and Hall of Fame. Current WAA members may volunteer to be included in one or more of these projects. Sign-up sheets will be available at the Annual Meeting.

WAA Board Members are elected at the Annual Meeting for a term of three years. Current Board Members up for re-election to the Board are Terry Otte, Chip Damato and John Roy. All are seeking second terms.

The proposed slate of officers for the Warrior Athletic Association for fiscal year 2006 is:

- | | |
|------------------------------|----------------------------------|
| A) For President- Terry Otte | C) For Secretary- Peggy Ohman |
| B) For Treasurer- John Roy | D) For Vice President- Rick Hill |

If you would like to make a nomination for an officer position for someone other than the above, please send your nomination in writing or by email to: Lewis-Clark State College, Athletic Development Office, 500 8th Ave. Lewiston, ID. 83501 or to cfdurgan@lcsc.edu by no later than April 23rd, 2005. Please RSVP your attendance to the Annual Meeting to the same address by Monday, April 31st.
