L-C Students Get into the "Warrior Zone"

The first WAA Student Night was held on Thursday, Feb. 2, prior to the Rocky Mt. College Basketball games, and it was a big success. Over 200 hamburgers and 200 hot dogs were served up to L-C students. This night was the idea of Warrior Athletic Association board members, Ralph Stout and Rick Hill. They wanted to encourage L-C students to not just attend home athletic functions, but to be participating spectators- cheering and encouraging our student athletes on to a win. The first 150 students received a "Warrior Zone" t-shirt, their dinner and a ticket for a chance to shoot a free throw during the Men's and Women's half time breaks. Stout Flying Service donated 4 Apple I-Pods as the prize for the first 2 at each break that made their free throw shot. All four were given to L-C Students. During the L-C Men's game, the Warrior Zone really cranked up! The primary motivator was the L-C baseball team showing up in their "Warrior Zone" t-shirts and really doing a great job cheering for their Warriors. Thank you to our sponsor, Stout Flying Service and to the WAA board for cooking and helping make this a success.

Warrior Baseball Begins it's Quest for Championship # 14

February in Lewiston, Idaho means it's time for L-C Baseball to begin! The Warriors took to Harris Field for opening day on Friday, February 10th against Vanguard University. Three games were played that weekend, with the Warriors beginning their season with a 3-0 record. The weather cooperated this first weekend, but the following weekend, play was cancelled on Friday due to the 8 degree temperature and below zero wind chill. The weather warmed a bit on Saturday and Sunday, and the Les Schwab Tournament was played on an abbreviated schedule.

Come out to cheer on your L-C Baseball team at one of the 11 home games in March. Check out the most up-to-date schedule at www.lcsc.edu/athletics/baseball.

L-C Basketball Wraps up their seasons at Frontier Conference Tournaments

The L-C Men's and Women's basketball teams head off to the Frontier Conference tournaments, to be held in Butte, Montana, March 1st-4th. The Women enter the tournament with a tie for the conference championship, and ranked 9th nationally with a record of 24-5. The NAIA National Tournament for the women's teams takes place in Jackson, Tennessee, March 15th-21st. The Men's team enters the tournament as the 6th seed, with the conference champion earning an automatic berth to the NAIA National Tournament, to also be held March 15th-21st in Kansas City, Missouri. You can listen to all the action on your computer by linking to KOZE- 950 through L-C at www.lcsc.edu/athletics.
