Cross Country and Volleyball Wrap-up their Seasons, with Golf Ending the Fall Portion of their Season

The L-C Cross Country and Volleyball teams will end their seasons in November with conference or regional tournaments for both at out-of-town locations. Currently, the L-C Men's Cross Country team is ranked 23rd, with the Women placing 18th in the nation. Both will take part in regional championships in Portland Oregon on Nov. 5th at Lents Park. Depending on their showings at regionals, the National Championships take place for both the Men and Women beginning Nov. 19th in Louisville, Kentucky.

The L-C Volleyball played their final home match on Sunday, Oct. 30th against the Frontier Conference leader, Westminster. The Warriors notched a victory in four games. This season has been a rebuilding year for the Warriors with a very young team and a new coach. Finishing the year with a big win helps the Warriors head into their final two matches of the year (Nov. 4th @ Rocky Mountain College at 7:00pm and Nov. 5th @ Carroll College at 7:00pm) with renewed confidence. The Frontier Conference tournament begins on Nov. 10th in Butte, Montana and wraps up on Nov. 12th. The winner of the Frontier Conference tourney will head to the Region I tournament Nov. 17-19th.

The L-C Men's and Women's Golf teams completed the fall half of their split season at the University of Victoria Invitational in Victoria, B.C. on Oct. 10-11th. The Men finished that tournament with a 6th place, and the Women with a 4th place. The first 3 golf matches of the fall season had the Men and Women placing either 1st or 2nd. The rankings for the spring portion of the season will be announced in the next few weeks, with the both the Warrior Men and Women expected to rank very high. The spring season will begin on Feb. 13th at Clarkston Country Club. For additional information on the L-C Cross Country team, Volleyball team or the Golf team, visit the LCSC Athletics web site at www.lcsc.edu/athletics.
