WAA Looking to Close out 2006 Strong

So many exciting things are happening in your Warrior Athletic Association! Beginning with the Back to School BBQ in August, to the Cross Country Social at Hells Gate State Park, to the two Sport lunches held so far this year, to the very successful Playhouse Parade, the WAA has been on the move... All of these events are held to increase the visibility of Warrior Athletics and the WAA and to increase the amount of money that can be raised to benefit Athletics at L-C.

The WAA is working hard to put together L-C's first Hall of Fame. A dynamic project committee is meeting regularly to define and set up the parameters of this much needed item. The expertise of individuals such as Denny Grubb, Dick Riggs and Mike Tatko are helping with this project. This will be a major undertaking for the WAA, the Board and its members. Watch for upcoming details of how you can get involved.

With so many plans on the horizon, the WAA is looking for ways to grow in membership with increased involvement in events as well as expansion of our financial boundaries. If you have already sent your 2006-2007 fiscal year gift to the WAA, thank you! If you have not, please consider making your donation before the year end. This will benefit you in many ways. Please look over the chart on the reverse side of the letter enclosed with this newsletter; it explains the state and federal potential benefits for a donation. You may return your gift in the post-paid envelope enclosed or better yet, drop by the Activity Center and visit the Athletic Development Office on the second floor!

Your gift means so much to the student athletes at L-C and allows the WAA to continue its support in their success. L-C Athletics wishes you a Merry Christmas and a Happy New Year to you and your family.

Checkout all that's going on in Athletics in December!

Warrior Athletics has all kinds of fun things in store for the month of December! The "Athletic Events to Remember" (column to the left in blue) shows all of the athletic events taking place in the month of December, but in addition to the games themselves, there will be fun things planned for each game.

On December 15th, the L-C Men's Basketball team takes on BIOLA in a 7:00pm game, sponsored by Lewiston Orthopaedic Association. During half time, there will be a promotion sponsored by Happy Day, where individuals will compete for a free Happy Card. On Thursday, December 21st, the Women's team takes on University of Fraser Valley at 6:00pm with the Men playing at 8:00pm. At the half time of both games, those attending the games will be asked to participate in the first L-C "Teddy Bear Toss". Spectators are asked to bring a new Teddy Bear to one of these two games and at half -time, there will be an announcement to toss out your bear onto the gym floor. All Teddy Bears collected will be given to the children at the Northwest Children's Home. Let's help to bring a smile to a child on Christmas morning with a brand new Teddy Bear! On Friday, December 29th, L-C's Women's will take on Bethany College at 6:00pm, and the Men will play at 8:00pm. People attending the game are asked to bring one or two cans of food that will be donated to the local Food Bank. January is a notoriously slow donation month for food banks. Bring in two cans of food and get into the game for free! Watch for many more opportunities in the future to have fun at the L-C Basketball games while helping to make a difference in our community.
