Minutes
Monday May 6, 2007
5:00 PM
Crickets Restaurant

- I. The meeting was called to order by Vice-Chairperson, Janiece Skranak at 5:15 PM. ASLCSC Coeur d'Alene council members present: Janiece Skranak, Kate Bales, Serena Worobel, and Jacqueline Maurer. Guest: Heidi Wilkins
- II. Old business: Discussion of the on-line vote for the communications representative was first. It was decided that Julie Brown would be asked as the representative and that Ryan Robinson would be invited to attend all meetings in the fall 2007 and then take Serena's place for spring 2008 semester.
- III. New Business: the June 2, 2007 meeting is still ago and the place is still TBA. It was discussed that we need to make folders to pass out to the new ASLCSC representatives. It was decided that we would give them our binders. We will print their names on a nice piece of paper. Included in the folders will be:
 - a copy of last meeting's minutes
 - description of duties and responsibilities
 - small calendars
 - a wish list of things we would like to see continued, and things we would like to see initiated by next year's ASLCSC representatives
- IV. A wish list was then created to include:
 - Was to get students more involved
 - Let all students know when and where the meetings are scheduled in advanced
 - (make sure to include agenda items with each month's announcement)
 - Keep the Cap and Gown scholarship going
 - Increase presence with faculty and staff (hold a meet and greet early i.e. Sept/Oct.)
 - Discuss with Lewiston the importance of them to campaign here in CDA. Maybe through teleconference or by designating a day where they all come up here. Increase their presence here with the CDA students.
 - Start video conference each month with Lewiston ASLCSC
 - Legacy Committee
 - Set aside money for each discipline to hold a end of the year banquet
 - Brainstorm on activities- ask students what they want to do
- V. The discussion of office supplies was brought up. Kate stated that she had asked Jodi to order them but does not know that status. We need to make sure to mention to the new representatives to purchase some pens, pencils, and paper right away.

VI. Job assignments were handed out. Janiece is going to type the minutes, Jacqueline is going to type the contact list for ASLCSC 2007-2008 and the wish list. Serena is going to make sure the duties and responsibilities get printed. Jacqueline also stated that she would purchase the calendars for the binders. Kate is going to try and contact Jeff and Teressa and also find a place to hold the June 2 meeting.

VII. Meeting adjourned at 6:15 pm

Respectfully submitted by Janiece Skranak
