- III. The April budget of \$4,221.82 was discussed with suggestions of getting a hold of Myndie Vanhorn in Lewiston for the correct starting balance for the 2006-2007 year. *Note: The budget currently stands at \$5730.08, but it may be \$128 more.*
- IV.
- V. A trip to Lewiston in October was discussed. The trip will have to be either Tuesday or Thursday. The trip will be all day and fully funded.
The date of October 5th was tentatively set for this trip.
- VI. Make sure all bios are in. The bios will be sent to Lewiston as well as being posted on the web page. Lewiston ASLCSC will sustain us as Cd'A ASLCSC.
We will be taking pictures for the web page so we need to wear something nice to the next meeting.
- VII. Office Hours:
Kate would like us to all donate at least one hour a week in the ASLCSC office. Our presence there is important to let the students know who we are and that we are there to help them. Kate will do some hours on Thursday and Serena can spend a few on Tuesday night.
The office is also shared with SOSW and Ambassadors' Club.
- VIII. Another great project is the partnering with NIC for disability access. Our program will be mirrored from the current NIC program. We also may want to look into tutoring.
- XI. Note: There will be no book swap for the Fall semester but hopefully we can get one going for the spring.
- X. T-shirts: There are some already ordered, we just need to let Heidi know that we want them, and to write up a bill to get the funds for them.

- XI. Concurrent Enrollment Fee Waiver: Stay tuned – Kate will update ASAP. This waiver involves reimbursement of fees after a certain amount is spent if you're concurrently enrolled at NIC and LCSC.
- XII. Bills and Resolutions handbook – This handbook has the guidelines concerning writing bills and resolutions. Kate has asked Cody to send some up from Lewiston.
- XIII. Goals:
Kate wants us to all pick 4 or 5 goals to work on this year. Here are some examples:
1. One change that Kate is working on with Cody is the fact that you must have 8 credits or more to run for ASLCSC. We want to bring that down to 6.
 2. Technology request for a new printer and computer for the office in the lounge.
 3. Setting up a scholarship for a few students that can not afford a cap and gown. Keep your ears out for students who may not be able to purchase one and also make announcements.
 4. Simultaneous spring break with NIC
 5. Increased presence in CDA, with NIC and with Lewiston
 6. Voter education – educate and inform CDA students concerning voting for ASLCSC Lewiston elections
 7. Continue Legacy Committee – Student lounge décor?
 8. Office organization – keep it up for the other groups that use it.
 9. Staff and faculty appreciation
 10. Improve and increase communication with NIC
 11. Student liason with NIC
 12. Improve communication with ASLCSC Lewiston
 13. Have one newsletter per month – everyone contribute
- IXV. Activities – make an emphasis on family oriented
