

The 2008 Kids' College program had more than 50 classes and 500 registered students and had a total of 17 scholarships awarded! We have some remarkable things planned for our area youth in the upcoming 2009 Kids' College program. This summer, we are again hoping to be able to provide over 60 classes in robotics, archery, chess, language, arts, music and more!

Kids' College is a summer educational program sponsored by the LCSC Continuing Education & Community Events office for area youth. Our program will have four sessions running from June 22 through August 6. This year each class will be held for four days and meet for 2 hours per day.

Kids' College is a totally self-supporting educational program. Our registration fees--no taxpayer dollars--cover all expenses, including instruction. In order to meet our costs while keeping our registration fees as low as possible, we rely on organizations like yours to help make this unique opportunity affordable for our local kids.

We have three categories for sponsoring Kids' College.

1. A cash or in-kind donation of \$500 allows your business to sponsor the overall program. Your organization's **full color logo as a Corporate Sponsor** would appear in 25,000 brochures mailed to homes in the Lewis-Clark Valley and on the Kids' College website.
2. A cash or in-kind donation of \$250 allows your business to sponsor a class. Your organization's **name would appear as the Class Sponsor** in 25,000 brochures mailed to homes in the Lewis-Clark Valley and on the Kids' College website.
3. Cash or in-kind scholarships provide an opportunity for disadvantaged youth that otherwise would not have the means to take part in our program. Your organization's **name would appear as a Scholarship Sponsor** in 25,000 brochures mailed to homes in the Lewis-Clark Valley and on the Kids' College website.

On behalf of LCSC Kids' College, **please join us in making this unique, fun, and exciting learning opportunity affordable for our local youth by completing and returning the enclosed response form or filling out an online form at our website www.lcsc.edu/kidscollege.** We look forward to your support. Should you have additional questions, please feel free to contact us at (208) 792-2447.

Sincerely,

2009 Kids' College Advisory Committee

Deborah Snyder, Director
Lynnae Anderson, Kids' College Coordinator
