

# Work Ethic Survey

**Scenario: Your group project is due in class this morning and you have the prototype with you at your home. You missed your alarm and have overslept. The class starts in three minutes and it will take you 45 minutes to get ready and get to school. The class is 60 minutes long. What do you do?**

**Scenario: You are supposed to meet with your group for a discussion of how you want to handle the next project. The project is not due for two more weeks. The meeting is in two hours but your friend calls you and invites you to a dinner party where a potential employer will be attending. You really want to go to the dinner party but you also committed to meeting with your group and scheduling has been difficult for everyone in your group. What do you do?**

**Scenario: You are in a team of four people, two of whom you really don't like. You can't change team members so what do you do?**

**Describe the behavior of someone you know who is a hard worker.**

**How would your best friend describe your work ethic in your least favorite class?**
