

# Lab 1

## ***Setting Up Account for Homework Access***

*Version (08/09)*

### **Abstract**

In this lab you will setup and login to the master physics website and do the assigned homework problems.

### **Procedures**

Take the laptop out of one of the draws at your table, turn it on and open Windows internet explorer. Go go to [www.masteringphysics.com](http://www.masteringphysics.com) select **new student** and follow the instructions. You will need the access code that is provided with your textbook. You will also need to enter the course id which is: PHYS21101.

To complete the lab you need to complete the first assignment Introduction to Mastering Physics which is due by the end of the lab period.
