F. Idaho Senior Citizens (age 60 or older) may take classes on a space available basis.

G. With the exception of eligible dependent children (as described in paragraph 7 below) the fee reduction privileges in this policy are available only to part-time students (fewer than 12 total credits per semester, including any reduced fee courses).

This privilege is subject to the provisions, interpretations, and limitations contained in the following subsections (see Educational Reciprocity, paragraph 6.0).

Administrator’s Approval: Prior to registering for coursework, the written approval of the employee’s supervisor, the appropriate Vice President (or President for Direct Reporting Unit’s) and the Human Resource Services Director must be obtained and documented on the Staff Registration Request. If class attendance is required during normal duty hours, a written agreement between the employee and supervisor must be attached indicating how the time missed will be made up, including a schedule of revised work hours during the semester.

2. Registration procedure for Employee and Spouse

A. The Staff Registration Request must be completed prior to registering for classes.

B. Eligible employees and their spouses may register for a maximum of six (6) credits in a semester or three (3) credits in the summer session under the terms of this benefit.

C. Cost to take a class is a $20 registration fee and $5 per credit hour. Special course fees may apply.

D. The employee’s job has first priority. In the event of conflicts between requests to take classes during scheduled working hours and the department’s ability to provide services, the supervisor has the authority and responsibility to approve, modify or deny the request.

3. Registration procedure for Senior Citizens (age 60 and older)

A. Must reside in Idaho.

B. Must provide proof of identity (driver’s license) to the LCSC Controller’s Office.

3. Employment Separation

A. If an employee’s appointment ends during an academic period for which the employee, the employee’s spouse or the employee’s dependent is registered for academic work under this policy, eligibility for educational privileges expires at the end of that academic period.

4. Program Eligibility

A. Educational privileges apply to all regular credit granting programs and courses offered through Lewis-Clark State College, including regularly scheduled summer school. 5. Program Limitations for Employee and Spouse

A. A person who is registered under this policy is entitled only to academic services (e.g., instruction, use of the library, tutoring, writing center, and math lab). Other services covered by regular fees, such as student health services, insurance, and student activities, are not included. Special fees, individual instruction in music, workshops, lab fees, course-related field trips, most Community Program / Workforce Training courses, and other courses that are self-supporting do not meet educational privileges eligibility.

B. Any credit hours taken beyond the number approved on the Staff Registration Request will be billed at the regular part-time credit hour rate.

C. These reduced-rate educational privileges are not available to employees or their spouses who are full-time students (12 or more credits per semester). The total of reduced rate and normal rate credit hours shall not exceed 11 hours per semester.

6. Educational Reciprocity

A. Reciprocal educational privileges for LCSC employee’s and spouses (only) are extended to each of Idaho’s two-year and four-year public institutions.
