Welcome Back!

Welcome back to school. I hope that your summer was a fun and restful one. Please keep your eye out for upcoming issues of “The ExpEDition,” the official newsletter of the LCSC Division of Education. Here you will find up-to-date information about your program and important due dates needed to help keep you on the path to success. I am so happy that you have chosen to be a member of the Education, Health, and Kinesiology programs! We have a great faculty committed to your educational success. If you’re in Spalding Hall, please stop by and say “Hi!” I look forward to meeting some of you for the first time or reconnecting with others after a busy summer.

Have a great semester!

Heather Van Mullem, PhD
Chair, Education Division

Questions about the Education Division?

Please contact the Education Division office at (208) 792-2260 with questions about programs in the Division of Education. We’re here for you!

Kinesiology & Health

Education
Opportunities for Students to Learn, Grow & Serve

Preparation for Success = Committed Students + Knowledgeable Faculty + Valuable Practical Experiences

**Elementary Education**

*Program Updates/Highlights*

The Elementary Education team will be partnering with the Nez Perce Historical Park as part of an educational National Park Service Grant. Nez Perce National Historical Park (NEPE) will work with pre-service teachers, from LCSC’s two campuses, Lewiston and Coeur d’Alene, Idaho. The project will provide opportunities to develop ways to utilize the National Park Service, in general, and Nez Perce NHP, in particular for educational purposes.

**Secondary Education**

*Program Updates/Highlights*

- ED 456 will be offered Fall semesters only (PACE and on-campus will both be online)
- ED 445 will be offered Spring semesters only (online for PACE and on-campus)
- ED 453 will be offered in Fall on-campus and Spring online for PACE

**Health & Kinesiology**

*Program Updates/Highlights*

- Recent graduate, Jeremiah Robinson, has earned the Overall Excellence Award for Academics and Fitness and has been commissioned First Lieutenant in the Idaho National Guard
- Dr. Marika Botha was named NWD-AAHPERD College/University Teacher of the Year

**Making a difference in the lives of America’s youth**

**Dr. Roddran Grimes** is a new faculty member in the Education Division. An assistant professor in Special Education, Dr. Grimes joins us from Atlanta, GA where she previously worked as a middle school special education teacher.
