Interested in Chemical Dependency Studies?

*Check out the Addiction Studies Minor*

The Addiction Studies minor is the premium program for Chemical Dependency counselor preparedness.

This minor prepares students for Chemical Dependency certification by meeting the twelve counselor core functions as outlined by the Idaho Board of Alcoholism/Drug Counselor Certification, as well as related issues.

Jobs are available with the Department Corrections, Probation and Parole, private and governmental agencies, and the Department of Labor and Commerce.

The counselor core functions are:

- Treatment planning
- Counseling
- Crisis Intervention
- Case Management
- Assessment
- Screening
- Client education
- Referral
- Reports/record keeping
- Intake
- Orientation
- Consultation with other professionals

Kappa Delta Pi International Honor Society in Education

The Education and Kinesiology Division is proud to be associated with the Kappa Delta International Honor Society in Education. The Chi Kappa Chapter of Lewis-Clark State College was installed in 1996, becoming the first chapter in Idaho and the last chapter necessary to complete membership in all 50 states. Kappa Delta Pi is dedicated to scholarship and excellence in education.

Individuals who are nominated to KDP include teacher candidates and practicing educators. Teacher candidates must possess a GPA of no less than 3.5 and be nominated on the basis of demonstrated potential to become strong leaders in education. Practicing educators are nominated by a committee of their peers as individuals who have demonstrated high academic ideals and have made significant contributions to the education profession. Inductions are held each spring.

For more information on KDP, or to nominate someone for membership, contact KDP chapter advisor Ken Wareham at 208-792-2625 or klwareham@lcsc.edu.
