The mission of Intramural and Recreational Sports at Lewis-Clark State College is to provide recreation, encourage friendly competition, and promote a healthy lifestyle for our students. We also promote leadership, teamwork, personal growth, and positive educational experiences for the college and community.

We take great pleasure in welcoming you to Lewis-Clark State College. We would like to personally invite you to participate in the many Intramural and Recreational Sports programs. Our program provides you with an opportunity to become involved, meet new people and relieve stress while having fun. We attempt to offer something for everyone.

This program is organized for students and funded by your tuition dollars. The success of the program depends on you and your participation. We will make every attempt to find an activity for you, whether you enjoy participating in individual activities or team sports. We encourage you to get involved with all of the opportunities that are available to you. We look forward to seeing you and hope you have a great year.
