Admission Process

- Apply for FREE in person, or online at www.lcsc.edu.
- Send Official Transcripts from all institutions attended.
- Transfer Your Credits: A minimum of 14 transfer credits are required to enroll at the Coeur d’Alene Center.

Transfer Credit Limitations
No more than 70 semester credit hours from a regionally accredited community college, 85 semester credit hours from North Idaho College, and 96 semester credit hours from a four-year regionally accredited college or university may be applied toward the 128 semester credit hour requirements of an LCSC baccalaureate degree.

Credit Conversion
Quarter credits are converted to semester credits by multiplying the quarter credits by .67. For example, five quarter credits equals 3.35 semester credits (5x.67 = 3.35).

Concurrent Enrollment at North Idaho College
Students enrolled in 6 or more LCSC credits, while also taking classes at North Idaho College (NIC), may count credits from both institutions toward financial aid. For example, a student enrolled in 9 LCSC credits and 3 NIC credits could be counted as full-time (12 credits) for financial aid purposes. Concurrent enrollment forms are available at the LCSC-CDA office.
