ASLCSC Senate Meeting Minutes  
April 29, 2014

- President Carlson, Senate Majority Leader Jackson and Chief Justice Reynolds – there doesn’t seem to be a resolution to this concern. We need to find a way to reach the students who are there and who have experience with LCSC. Suggested additional advertising for positions, attending meeting via phone to help students to learn the system at an earlier time, leadership training seminars, etc.

- Additional discussion on this topic continued.
