Audience Time

- Dr. Andy Hanson talked about the new lamp post flags.
  - The initial count for the flags was 36, which took care of the perimeter.
  - A new count was just taken and there is a possibility of adding 44 new lamp post flags to the campus.
  - If the ASLCSC wanted to add an additional 44 flags they could dip into their reserve fund. Andy expressed he thought that could happen.
  - Andy said the costs for the additional flags are approximately $2300.
  - Megan asked if the administration would go halves with the ASLCSC – as they went halves with the cost of the 36 flags. Andy said he has not approached the administration about that.
  - Time line to order the flags – ASAP.
  - Will have to create a new bill for the new flags.
  - Senator Quackenbush will write the new bill once we have word on whether the administration will split the cost.
  - Senator Dunlow wanted to remind everyone to write in their time on the sheets he has on the front table. Each member is required to be in the office with the lights on and the door open for 2 hours a week. Keep track so your stipend doesn’t get decreased.
  - Chief Justice Stroud wanted to let everyone know that next week they will be looking at making some By-Law changes. So read over the constitution and by-laws.
