RE: Maintenance and Installation of Tables and Planters

DATE: April 29, 2014

ASLCSC has purchased four tables and four planters to be placed on the patio on the side of the Student Union Building. The remaining tables will need to be removed and relocated on the LCSC Campus. The new tables will be installed in their place along with the four planters. Matt Graves and Physical Plant employees have agreed to remove and relocate the old tables and maintain and install the new tables and planters. These tables and planters can be moved to different locations on campus only with the approval of ASLCSC.
