ASLCSC Bowls a **Strike** with Students

ASLCSC-CDA held the first Fall Student Event at Sunset Bowling Center. Families were invited to join for free bowling, pizza and refreshments. There were about 30 participants at the event, where students and their families bowled for a variety of prize packages. Prizes weren’t just for the best bowlers, there were prizes for no strikes and most gutters. All in all there were eight prize packages given away to a variety of students and their families including, gift cards, blankets and LC gear.

Students could bowl as much as they wanted during a four hour period. Three volunteers joined from the Ambassadors Honor Society to help with the event and also partook in the bowling festivities.

Student body wants your input on events to put on this spring. Turnout has been relatively low and your input could help us improve these numbers. Email suggestions to Zara Palmer at zapalmer@lcmail.lcsc.edu.

By Shane Papineau
Hello Students, my name is Chris Gummeson. I'm your ASLCSC-CDA Chair. I am originally from Los Angeles, CA. I moved to Northern Idaho in early 2012 to manage northern operations for my employer, a tax resolution company. Professionally, I am a sales manager and senior tax analyst. I also run a small nonprofit aimed at providing free or low cost income tax resolution to families in the Northwest who can’t afford to hire traditional representation. I am a management major graduating this December. In January I start at Gonzaga’s Graduate School of Business, studying for an MBA. I applied for this position as a way to give back to the student body at LCSC, and to enrich my final year of college. I encourage everyone reading this to participate in student council, as it allows everyone to have a say in their own education.

Your ASLCSC-CDA representatives have been working diligently on your behalf this year. We are in constant contact with the main campus in Lewiston to insure that all student concerns and suggestions are voiced. Recently, we held ourfirstevent. We invited students, staff, faculty and their families to come bowling at Sunset Bowling in Coeur d’Alene on December 6.

We are currently working on a policy change that would allow more LCSC-CDA students the ability to participate in student council. As the rules sit now students must have at least one semester at LCSC before they are eligible for a student council position. Since we are exclusively transfer students with an average of two years left before graduation, this severely restricts our ability to participate. We realize that we have many capable student leaders coming in from NIC and other institutions, and desire to give them the opportunity to serve.

While I am leaving LCSC in one short month, I know that the future student leaders who will take my place are out there, and the CDA student body will be in great hands. I will certainly look back fondly on my time at LCSC. The position of chair has allowed me to not only provide for CDA students as a whole, but to polish my leadership skills as I led a team of like-minded students. I hope to take all the tools I have acquired as your chair on to Gonzaga, where I hope to be a member of the Graduate Student Council.

Meet the ASLCSC-CDA Officer Team

Shane Papineau
Treasurer/Secretary
I was born and raised in Coeur d’Alene. I attended North Idaho College and attained a A.A. in General Studies before moving on to LCSC-CDA. I’m graduating in May 2015 with a Bachelors in Business Administration and a minor in Marketing. I run my own landscaping business and commercial salmon fish in Alaska when I’m not in school. I joined Student government to help and learn about working in an office environment. The position of Secretary/Treasurer allows me to work with the budget and be involved in planning school events here at the Coeur d’ Alene campus. In my free time I enjoy skiing, white-water sports, surfing, golf, hunting, fishing, biking, and riding motorcycles.

Zara Palmer
Media/Public Relations Director
I am originally from a small town north of Sandpoint, Idaho called Clark Fork. I started attending North Idaho College in the fall of 2011 and graduated with my A.S. degree. I decided to obtain my bachelor’s degree in Business Administration with a minor in marketing at LCSC-CDA. I am actively involved with a number of other LC clubs and a marketing intern for two other organizations. I was interested in this position because it allowed me to be actively involved with my school, while building professional experience. Outside of school I enjoy the great outdoors and all that it has to offer. I snowboard, hike, take photos, go camping and travel.
The LCSC Center is currently celebrating our 32nd year in the Lake City of Coeur d’Alene. From humble beginnings at the old Fort Sherman Officer’s building on the NIC campus, to a mid-town facility, and now at Harbor Center, LCSC has turned into a permanent North Idaho fixture. Never have times been more exciting for our operations in Coeur D’Alene. We have recognized another impressive year of setting new records from 134 students walking at Commencement in May 2014, to an all-time record fall enrollment of nearly 500 students. We are also offering more degree programs than ever before, both online and in-person. LCSC is cooperating to expand its program offerings in Region 1 and the Center continues to serve as a base for North Idaho outreach, especially to the Sandpoint region. With a strategic location on the Higher Education campus, LCSC is poised to grow with developments for future building expansions and developments. LCSC-CDA’s best days are yet to come and we are pleased that you are part of the legacy.

The Power of Numbers

Lewis-Clark State College is calling all Coeur d’Alene students to come join the Invest in your Future event at North Idaho College during the NIC men’s basketball game on January 29.

The event is to encourage NIC students and the community to invest in their future and attend a four-year institution. Since the slow incline in the economy, colleges are experiencing student enrollment decline. Many people are not aware of the opportunities that are awaiting them at LCSC-CDA. This event is to encourage individuals to invest in themselves and go back to school.

Additionally attending the event enters you to win giveaway prizes and a chance to win a $500 scholarship! Please come join LCSC and watch some basketball and get people excited about going back to school. The impact left on the community is merely with the power of numbers and how many students choose to attend.

- Rocky Owens, Director

Director’s Corner

Legacy Project of 2014 - 2015

ASLCSC is reaching out to its peers to find out what students at Coeur d’Alene want to see left behind for a legacy project. The previous year donated the reader board at the front office at the Harbor Center. If you have suggestions/ideas please email the Media/Public Relations Director, Zara Palmer at: zapalmer@lcmail.lcsc.edu by February 23.
Everything can now be done online through our website at: www.lcscshop.com

Rental Returns:
Log into your bookstore account and print off the free FedEx shipping label. Labels must be printed off BEFORE the check-in due date, otherwise you will be required to pay the return shipping.

You must include the packing slip with your name and phone number to finalize the check-in process.

Buyback:
Get Bucks for Books at www.buyback.com, input your textbook ISBN #. Free shipping and a 10 day price guarantee.

Once the books arrive, a check will be issued within 7 days. (Please note that we do not buyback: instructor’s copies, international editions, loose-leaf textbooks, or damaged book- water damage, missing pages, book binding is falling apart.)

Ambassador Honor Society takes Action
By Erin Peterson
AHS Liaison President

Service projects are very important to our organization, and nothing seemed more appropriate than to serve our homeless during such bitterly cold temperatures. Blessings Under the Bridge provides a hot meal, coffee, tea, bottled water, juice and pastries for the next day as well as clothing and toiletries for anyone in need. We set up picnic tables and a portable heater for comfort. Every Wednesday, Jessica Kovac and her volunteers, including Lisa, Shanna and myself of the Ambassador Honor Society line up to provide a meal and a smile, treating each individual as a valued guest. It was such a powerful experience, and we are grateful to be a part of this wonderful act of service.
