**A. Periods of Appointment**

1. Professional academic personnel are regularly appointed for service either (1) during the academic year (in this context, the "academic year" encompasses the nine full months ending the day after the close of the spring semester) or (2) for the fiscal year beginning on July 1. In either case, the salary is paid in biweekly installments throughout the year.

**B. Service Obligation**

1. Academic-Year Appointments – Faculty and Staff on academic-year appointments are accountable for service to LCSC throughout the nine-month period specified above. This period normally begins before the official opening of the fall semester and before the date that is set for mandatory return to on-campus duty.
2. Fiscal-Year Appointments - Fiscal-year appointees are obligated to perform services for LCSC throughout the year.
3. Service - Full-time appointments assume full-time service. Faculty and Staff members may engage in outside consulting. (See section 3.132, Professional Consulting and Additional Workload).
