Welcome Back!

Welcome back to school! I hope that you had a fun and restful summer and that you are excited to start new classes this fall. As you prepare for a successful semester, please remember the following tips for success:

• **Meet with your advisor early and often** – discuss classes, internship opportunities, challenges and successes, and your goals for the future.

• **Take care of yourself** – get plenty of rest, eat healthy, and engage in regular exercise.

• **Embrace the college experience** – consider joining a club or two, take advantage of resources on campus to help you have success like the Writing Center or the Math Lab, sign up for a trip through Outdoor Adventures, or become invested in Student Activities on campus.

I hope your semester starts off positively. Stop by when you’re in Spalding Hall to say hi.

-- Heather Van Mullem, Division Chair
