Advance Registration is Approaching

Advance registration begins on November 9, 2015. If you haven’t yet, now’s the time to schedule an appointment with your advisor to discuss spring course options, internship possibilities, and/or opportunities to pursue that might help you reach your professional goals and aspirations.

Heather Van Mullem, EDKIN Division Chair

New Minor in EDKIN

A new minor is available in the Division of Education & Kinesiology. Called Instructional Technologies, this minor is designed to prepare regular classroom teachers to effectively deliver online instruction and to successfully integrate media and technology into their classrooms.

When combined with an approved teacher education program, this minor qualifies for a State of Idaho “Online Teacher” endorsement. The candidate must also qualify for Standard Elementary K-8 or Standard Secondary 6-12 certification.
