Summary of Major Changes incorporated in this revision to the policy: New Policy

PURPOSE: This policy offers students guidance regarding how and when they may withdraw from all courses within a semester.

POLICY:

1. Students withdrawing from all enrolled courses (Total Withdrawal) must do so before the last day to withdraw from the semester (see academic calendar for exact date). A grade of "W" will be entered on the permanent transcript for each withdrawn course. Students who fail to complete the official withdrawal process will be considered enrolled and will be graded accordingly. Neither LCSC faculty nor staff will initiate the withdrawal of a student on the basis of non-attendance, unless the student is medically incapacitated or a harm to themselves or others, see policy 5.301 for Administrative Student Withdrawal (Involuntary).
2. A student may not totally withdraw from all courses in a term if any of the classes in the respective term have been graded. Students who have totally withdrawn from all courses for a term will not be allowed to register for any subsequent classes in the same term.
3. Receiving a "W" on a transcript is a permanent notation indicating withdrawal from a course; it does not affect a student's GPA. Because it is an official part of the student record, it will not be removed from the transcript or altered in any way.

SECTION: STUDENTS

SUBJECT: Total Withdrawal

4. Students under disciplinary investigation for a Title IX violation or other student code of conduct violation may submit a Total Withdrawal Form understanding that:
 - A. A hold will be placed on the student's account prohibiting the order of official transcripts until completion of the investigation and adjudication.
 - B. If the student is found responsible after the investigation and adjudication, a notation will be placed on the student's transcript stating, "Withdrew with student code of conduct charges pending, and subsequently expelled after a finding of responsibility for a student code of conduct violation." See Policy 5.301 Administrative Student Withdrawal (Involuntary).
5. A student who withdraws may be eligible for a refund of tuition, fees, housing payments and any other amounts. Refunds will be made in accordance with applicable College policies and procedures. Return to Title IV (R2T4) calculations for any financial aid received will be made in accordance with Federal regulations and applicable college policies and procedures.

PROCEDURES:

1. To withdraw from the institution, students must log on to WarriorWeb and submit a Total Withdrawal Form.
 - A. Students enrolled in a future term may drop all classes until one (1) week prior to the term start date.
 - B. Students may request withdrawal using LCMail when Warrior Web is not available.
2. Students seeking to totally withdraw from all courses after the deadline (through the petition process) must secure signatures from EACH faculty member and EACH Division Chair from each class enrolled in before forwarding the petition form to the Registrar & Records Office.
