Who can take Kids' College classes? Our classes are designed for kids who are ages 6-15 by June 1, 2019.

Who teaches Kids' College classes? Our instructors are LCSC staff and faculty and individuals from the region who have an expertise in their topic area(s) and are interested in teaching youth. We are committed to providing a fun, safe experience for our students and their families. To ensure your child is secure in our care, each of our instructors must successfully complete a background check.

What is the Minimum/Maximum number of kids in a class? The minimum enrollment is generally five students. Maximum enrollment is generally 12-15 students. Final decision will be made by Kids’ College staff and the instructor.

Do I need to pay the transportation fee if I’m dropping off/picking up my child? There are certain classes that require a transportation fee, such as bowling, water sports, and golf. If you take your child to his/her class and pick him/her up, the transportation fee can be waived. To waive the transportation fee you will need to contact the Kids’ College office at 208-792-2447. PLEASE NOTE: If you register online, the transportation fee will not be waived.

What if I can’t afford to pay for Kids’ College? Scholarships are available by need and for kids of current LCSC Faculty/Staff/Students. You can fill out a scholarship application online at www.lcsc.edu/kids-college or print one out and mail it, fax it, or drop it by the Kids’ College office at 415 Main St. in Lewiston. Deadline is 6/14/19. Scholarships can cover the cost of up to four classes.

How and where do I sign up? Register online, by fax, phone, by mail, or in person.
Phone Number: 208-792-2447
Fax Number: 208-792-2850
Address: 415 Main St, Lewiston, ID 83501
Online: www.lcsc.edu/kids-college
Pre-registration, with payment, is required for all Kids’ College classes and should be received at least one week prior to the class start date. Register early to ensure your place in popular classes and to avoid cancellations due to low enrollment.

Will I get a reminder? You will receive a confirmation by phone or e-mail the week prior to the class start date, listing the class location, date and time, and any additional information you might need.

Do I have to sign up for all classes all day? There is no requirement for you to sign up for a full day of classes within a session or to sign up for more than one session. Each class stands alone and you can sign up for one time slot per session. There are a variety of different classes to choose from in each time slot and within the different sessions, so we recommend that you sign up for what works best for you.

What are the drop-off and pick-up procedures? For the safety of all children, you must accompany your child to the designated area no more than 15 minutes prior to class and check in with the Kids’ College staff. Children should NOT be dropped off or picked up without being properly checked in/out. There will be no type of supervision for your child if you arrive earlier than the designated time of 8:00am. We also ask that you pick your child up within 5 minutes of their scheduled class ending time, in person, at the designated area and check out with Kids’ College staff. There will be no type of supervision after 4:45pm, so please arrive on time. If you have special circumstances, please contact the Kids’ College Office at least 24 hours ahead of time.

Please keep in mind we have limited staff supervision prior to and after hours of operation. Also note that the only supervision provided during Kids’ College sessions includes the time your child is checked in for a class until your child is checked out, including breaks between enrolled classes and the lunch break. If your child is not enrolled in back-to-back classes, supervision will not be provided for the time they are not enrolled in class. Please arrange for them to be picked up and checked out at the appropriate time.

What are the lunch arrangements? Kids’ College provides a supervised lunch period for children who attend classes immediately before or after lunchtime. Please check your child’s schedule to see if their class qualifies. Lunches are not provided, so please send your child with a sack lunch or they may also purchase a lunch combo on campus for $5.00. Children may be sent with lunch money (we will need a lunch count first thing every morning) OR you may purchase lunches online when you enroll. Please send your child with the correct amount of money because we cannot be responsible for any shortages. Supervised games and activities will be available to those who finish their lunch early. Parents are always welcome to join their children for lunch. Please note there will be no supervision outside of classes other than transition between classes and lunchtime. If your child is not signed up for afternoon classes please arrange for them to be picked up and checked out at the appropriate time.

What if my child is unable to attend their class(es)? You may cancel registration for a full refund up to 2 weeks prior to the class start date. Within 2 weeks prior to class you may transfer to another class or receive a credit to put towards a future class. Refunds completed within 2 weeks of the class start date will result in a $10 administration fee. Refunds can take up to several weeks for processing. No refunds will be issued after the start day of a class. If your child needs to miss a day within the session, there will be no cost adjustments and arrangements should be made with the Kids’ College office in advance.

What if my child’s class is cancelled? Sometimes a change in schedule or unforeseen event may cause us to cancel a class. If this happens, you will be notified immediately and can arrange to transfer into another class, receive credit toward another session or receive a full refund. Refunds may take several weeks to process.

Who do I contact in the event of an emergency? If you need to reach your child during class time, please contact the Kids’ College office at 208-792-2447.
