

Parking permits for the 2019-20 academic year at Lewis-Clark State College will be available Aug. 1. Campus Security has moved to an online only registration form which can be accessed here: [Online Application Form](#). On the web page, fill out the permit type and affiliation (just leave the period blank). Once the form has been submitted and approved, your parking permit can be picked up starting on Aug. 1 by visiting the Security Office, located in Meriwether Lewis Hall, and paying the \$10 fee. OR YOU CAN LEAVE THE \$10 cash WITH A TENNIS CENTER STAFF MEMBER and we save you a trip by picking up the permit for you.

The security office accepts cash, check, or credit cards. Permits are non-transferable. For more information on LCSC parking regulations, visit [www.lcsc.edu/security/parking](http://www.lcsc.edu/security/parking).
