

WarriorWeb for Students

Grades

- Use this link to find your midterm and final grades at LCSC. Simply select a term and click 'Submit' to see your grades, term GPA, and advisor.

Grade point average by term

- This feature will show final grades, GPA, earned credits, and grade points for the term.

Transcript

- With WarriorWeb you can view and print your own unofficial transcript which includes the grades, credits, and cumulative GPA for all of the courses you've taken at LCSC.
- The WarriorWeb transcript is an UNOFFICIAL document and should not be confused with your official transcript available at the Office of the Registrar.

Transcript request status

- If you are a current LCSC student, you can check the status of your transcript request through WarriorWeb. Included is the address where the transcript was mailed as well as the date it was produced.

My holds/restrictions

- Use this link to determine if you have any restrictions or "holds" on your record that may impair your ability to register (i.e. Library fines, Parking fines, Controller's Office holds, etc.).

My ID and advisor name

- Use this link to find your ID number and the name of your official advisor. Your official advisor is the only person that can allow you to access Web registration. If you need an advisor, you must submit a Program Information Form (PIF) to the Office of the Registrar.

My class schedule

- You can use this feature to print your own class schedule (room, days, times, and instructors).
- This is also where you access your BbCE courses.
 - Click the title of your online course, then the **Virtual Classroom** link at the bottom of the page. This link will move you directly into your BbCE class.

View course offerings/Search for sections

- The 'Search for sections' feature is THE place to find accurate class schedule information on the current and future terms (including class enrollments). You do not need to be a current student to use this feature.
- Simply enter a term and any other information that you'd like to find on the courses offered at LCSC. You can search on days, times, instructors, locations, etc.

My class level

- This link can be used to determine whether or not you are a Freshman, Sophomore, Junior, Senior, or Post-Baccalaureate. Your class level determines when you can register during Advance Registration each semester and is based on completed credits only.

Enrollment verification

- Use this feature to access the secure National Student Clearinghouse site which will provide proof of enrollment for health insurers, housing providers, etc. You can view certificates on screen or print copies as needed.

Current holds & restrictions

- Use this link to see if you have any holds/restrictions on your account. Holds will block your registration activity and must be cleared prior to registering for classes.

Transfer equivalency report

- Admissions will evaluate your test scores and transfer transcript(s) to determine which transfer as general education core. Transfer credit, which count toward your intended major, will be evaluated by your faculty advisor.

Degree Audit - Program evaluation

- Use this link to chart your progress through your major and minor programs.
- You can enter additional programs to evaluate your progress toward different degrees as well.
