Tips while completing the FAFSA Sections

Student Demographics

- Report your marital status as of the date you sign your FAFSA
- Work-study is part-time, on-campus employment

School Selection

- List all schools you want to receive this information (up to 20)
- A school must be listed to receive your information

Dependency Status*

You need parental information unless you meet one of the following:

- You are in legal guardianship (not your parents)

*If you have special circumstances please contact the LC State Financial Aid Office

Parent (Contributor) Invite

- A contributor refers to anyone who is required to provide information on the FAFSA (your biological or adoptive parent, or your parent's spouse)
- Make sure Social Security Number(s) and birthdate(s) are entered correctly
- Use contributor's email that was used to create their FSA ID
- Contributor will log into studentaid.gov with their FSA ID to complete their portion of the FAFSA

Consent

- Consent and approval are needed to retrieve and disclose federal tax information
- Each contributor to the FAFSA must provide consent
- If consent is not provided, the student will not be eligible for federal student aid, including grants and loans
