Helpful Hints for the LC State Scholarship Application

- The link to the LC State Scholarship Application is located on the Scholarship and Waivers page of the Lewis-Clark State College Financial Aid website (lcsc.edu).
- Login information: To create your login, you will use your 7-digit student ID number as your username. You will create your own password.
- Write your essay: The scholarship application **requires** one essay. Some scholarships require all three. Essays can be typed directly into the application or you can cut and paste from another document.

  ESSAY TOPICS

  1. What are three things we need to know about you in order to really understand you. Be sure to include specific details that demonstrate what you say.
  2. Pick a significant experience from your own life, no matter how small, and explain how it has influenced your personal development for the better.
  3. Describe a family, social, or school situation where you had to become a leader. How did this experience impact you?

- Depending on your major, you may need to submit additional documents for a specific scholarship. This may include letters of recommendation, writing samples or additional essays.
- Make a list of your Extra-Curricular Activities. You will type the information (name, dates involved, position held and awards) directly into the application.
