

# Monday Message

May 24, 2021

## President's Message

Dear all,

As our pandemic world continues to evolve and change, be assured we will keep our finger on the pulse of contagion statistics and trends locally, regionally, nationally and globally. As noted, I urge you to review the Monday Message for ongoing updates.

Given recent guideline adjustments, I thought it relevant to share information brought forward during last week's State of Idaho Agency Directors' meeting reemphasizing the importance of vaccination and expectation that unvaccinated individuals will follow CDC guidelines – which means following the [2-out-of-3 rule](#). Individuals not vaccinated for medical or religious reasons should contact Human Resources for assistance with accommodations.

As we move into summer, the sunshine, outdoor activities, *the Avista NAIA World Series*, and continued progress toward reclaiming a new normal, please stay safe, well, rest, enjoy and *Let's Play Ball!*

Cynthia Pemberton, Ed.D.

President
