The Office of Student Involvement believes that student clubs and organizations are an integral part of the college experience. These organizations foster connections, create community, allow students to develop transferable skills and are often what Alumni remember as the best times on campus.

The work that you do as part of a student club or organization on campus is vital to completing the mission of LC State. Where we prepare students to become successful leaders, engaged citizens, and lifelong learners.

This manual is intended as a reference guide to explain policies and procedures pertaining to Recognized Student Clubs & Organizations (RSCOs), clarify the college's relationship to RSCOs and describe resources that may be helpful. Because many

departments at LC State work with RSCOs, a list of department contacts is included within this manual. Where applicable, this guide includes the name of the best department to contact for the particular service or function.

The RSCO Manual is intended to be a summary of certain matters of interest to RSCOs. Readers should be aware:

- It is not a complete statement of all procedures, rules and regulations of LC State.
- The institution reserves the right to change without notice any procedure, policy and/or program, appearing in the RSCO Manual.
- Institution divisions, departments and offices may have their own procedures and policies applying to student organizations not listed in the RSCO Manual.

Administrative clarification and interpretation of these policies may be obtained by submitting a written request to the Coordinator of Student Involvement. The Coordinator will provide a written response within ten (10) business days.

If you have questions about the policies in this manual, please do not hesitate to contact the Office of Student Involvement and we will be happy to assist you!

Do More also allows individual students the ability to view a campus calendar of events and activities, track their progress toward earning the LC State credentials, interact with fellow students via the feed, see their standing in the leaderboard, and generate an electronic, personal, co-circular transcript.

RSCO management will occur through Do More available at [domore.lcsc.edu](http://domore.lcsc.edu). Students and RSCO Advisors access the Do More using their @lcmail login information.

RSCO Advisors and Student Officers have access to manage various aspects of their group including, but not limited to:

- Updating Group Information
- Maintaining Rosters
- Maintaining Officer Information
- Maintaining RSCO Constitution

## Section 9

### Events & Reservations

---

Best contact: [Student Involvement](#)

Campus events and programming is an opportunity for RSCOs to engage students. Hosting RSCOs, Advisors, and College staff share in the responsibility to ensure that these activities are well planned, enjoyable, safe, and aligned with the mission to LC State. Attendee behavior should align with campus values. It is expected that all parties involved will give thoughtful attention to proper event planning and agree to take all necessary steps before, during, and after an event to ensure its success. Failure to comply with specific provisions as outlined in this policy may result in sanctions for the hosting organization, such as organizational discipline, financial repayment of damages and suspended use of specific College facilities.

### Event Registration Process

RSCOs wishing to host events must complete the online Event Registration Form in Do More. The Event Registration form must be completed at least two weeks in advanced of planned events. Due to the nature of some events (ie Travel or Off

Campus Events) additional time for approval may be needed. For these types of events, please plan at least three (3) weeks for the routing of the form.

### Approval/Denial

Should an event be denied, a detailed explanation of the reasoning will be sent via email (@lcmail) to the RSCO Advisor and President.

### Event Tracking

Tracking attendance of RSCO meetings and events has now become simpler. Event attendance can now be done through the Modern Campus Presence App.

- Scan a student's QR code that can be found in the Modern Campus Presence app once a student has logged into the app
- Manually enter students by ID number or LCMail address

Event attendance can also be bulk uploaded as a CSV file of Student ID Numbers after the event.

### Reservations-On Campus

Best Contact: Center for Student Leadership Info Desk

All spaces on campus must be reserved prior to any RSCO hosting an event. This includes outdoor spaces across campus.

All on-campus reservations will be handled through the 25Live system. Events are booked on a first come first served basis and there is no guarantee of receiving your first choice of space so it is a good idea to have a second and third choice ready when you make your request.

All room reservations should include the following information:

- Event Name
- Event date
- Event time
- Person/Organization reserving space
- Contact and email for group representative
- Space being reserved description
- Estimated number of attendees
- Additional set up or tear down time
- Additional Resources (i.e. Chairs, tables, AV equipment etc.)

### On Campus Event Cancellation

When possible, please notify Events & Conferences at least two (2) business days prior to event to cancel a reservation and release the reservation.

### Emergency Action Plan

An Emergency Action Plan (EAP) is required for on-campus events that...

### Off Campus Events

Off-Campus Events are defined as: an educationally related activity that involves LC State students; occurs outside of college property; and is organized and/or funded by an officially recognized campus related entity.

These types of events have more requirements for approval. RSCOs wishing to host off campus events need to complete the off-campus portion of the Event Registration form at least three (3) weeks prior to the event.

RSCOs hosting off campus events must comply with all local, state, and federal laws. Before planning your event, check with the relevant city or county office to get information about permits or other requirements.

## Food and Beverage Policies

### On Campus Events

If an RSCO hosts an event with food or drinks on campus, LC State policy states that the group must purchase the food and/or beverages from the campus' contracted catering service or vendor. These vendors are Sodexo and Pepsi Co.

RSCOs wishing to serve food purchased from a vendor other than the Contracted Catering Service must complete a Waiver of Liability within their event registration form. This waiver will be filed with the Director of Food Services.

### Fundraisers

Fundraisers featuring food and beverage on campus must have a signed Wavier of Liability filed with the director of Food Service. RSCOs wishing to fundraise via the sale of food may be limited to reserved spaces around campus as to not conflict with on campus food vendors.

Off campus fundraisers hosted at third party vendors (ie. Mod Pizza, Applebees, etc.) do not require a signed Wavier of Liability.

### Alcohol

RSCOs are required to follow all institutional policies and procedures regarding alcohol. Events with alcohol being served must have additional approval from the VP of Student Affairs, College President, Security, and Campus Risk Management.

### On Campus Events

RSCOs are prohibited from hosting events with alcohol; on Campus or within college-owned, leased or operated facilities and on campus grounds.

### Off Campus

For off-campus LC State sponsored events which are open to the campus community and at which alcohol will be present, the sponsor will coordinate with the Vice President for Student Affairs and the Office of Student Involvement to assure adherence to this policy.

The following information will need to be provided to assure adherence:

- Names and ages of individuals designated as bartenders or servers to check identification.
- Means to inform participants of applicable state and federal laws regarding alcohol consumption.
- Non-alcoholic beverages and food provided.
- Designated driver program.

## Special Events

### Movies & Films

RSCOs wanting to host the showing of movies or films must be aware of the copyright and public viewing rights. The Federal Copyright Act specifies that copyrighted materials like movies can be used publicly if properly licensed. However, neither the rental nor purchase of a movie carries the right to exhibit it outside of one's home, with family or a small group of friends.

### Dances & Concerts

An event is considered to be a dance/party if it includes all of the following:

- The use of music and an open area for active, non-seated attendees

- Expected that ⅔ of the attendees will be college students
- Hosted by RSCO through the Office of Student Involvement

Events, such as presentations, performances, instructional dance, dinners, and receptions do not generally fall under this policy. Professional judgment on the part of the respective facility director may, in some circumstances, require that certain aspects of this policy be applied to other types of events. If an event is expected to attract over 400 attendees, the College reserves the right to implement special requirements or conditions not specifically outlined in this policy.

### Scheduling

- Dance/Concert events must be scheduled by the hosting RSCO no less than 21 days prior to the proposed date of the event.
- Due to the academic mission of the College, it is highly recommended that Dance/Concerts are only held on Fridays and Saturdays.
- Dance/Concert events may not be held on during “dead week” or scheduled Exam days
- Hosting RSCOs must ensure that volume levels are considerate of other events and must abide by the Event Services Policies.

### Travel

The opportunity to represent LC State throughout the state, nation and internationally is one of the many benefits of being a RSCO. RSCOs that travel for official organization business must adhere to LC State policies and procedures regarding travel. The policy in its entirety can be found in the LCSC Travel Policies and Procedures Manual.

The Student Travel Request Form, which can be found in the RSCO Resources section of the RSCO page on the LC State website, must be completed and approved before RSCOs can travel. Please submit Student Travel Request Forms to Student Affairs at least three weeks before traveling to allow for plenty of time for approval.

An activity that is sponsored by the College, funded in part or wholly by the College, undertaken using a College vehicle, or undertaken under the scope of the organization, would be considered traveling on official College business.

RSCOs may use their own funds to cover travel costs as long as the trip is related to and in direct support of the RSCOs purpose/mission. If using RSCO funds, all arrangements must be processed through the Controller’s Office.

As stated in the LC Travel Policy 4.101, “Group field trips and team travel must have one LCSC employee designated as the leader or sponsor for each group.”

It should not be assumed that RSCOs may use personal vehicles for RSCO business.

### Student Affairs Van Rental/Training

Best contact: Jacob Crist and Department of Public Safety

LC State has two multi-passenger vans available for RSCOs to rent for transportation to and from their events/activities.

Drivers of vans must be van training certified, through an in-person training with Jacob Crist as well as completion of the Vehicle Use Agreement.

Student drivers are required to complete the online training annually. Staff/Faculty drivers must complete the training every three (3) years.

RSCOs wishing to reserve a van should contact Outdoor Adventures least one week in advance of their planned activity. If a vehicle is available a van reservation form and van usage agreement will be sent to the requesting individual. This form must be completed and signed and returned at least three days in advance. Payment for van usage will be processed through an IDG.

## Risk & Liability

Best contact: [Administrative Services](#)

Some RSCO events/activities, both on and off-campus, may involve potential for risk. In some cases, the student organization as a group or individual members and officers may incur some liability in the event of a claim. RSCOs should take all reasonable precautions to manage risk at their events. RSCOs should be aware of the following policies:

**Low risk**, on campus events are generally covered through the College's liability insurance. Some examples of low risk activities are RSCO meetings, movie screening, awards banquets, guest speakers, and game nights.

**Higher risk**, on campus events may not be covered by the College's liability insurance. In such cases, RSCOs should have all participant sign a waiver releasing the group of liability. Printable copies of the waiver are available on the Administrative Services website. Some examples of higher risk events are contact sports, dance classes, bounce houses, and events with possible physical injury.

**Off campus events** are not covered by the College's liability insurance. RSCOs who host events off campus should have every participant sign a waiver regardless of the level of risk involved.

**Travel** in personal vehicles is not covered by the College's liability insurance. RSCO members/advisors who provide transportation to or from RSCO sponsored activities in personal vehicles are advised to have all passengers sign a waiver.

**Participation of Minors** - Individuals under the age of 18 may not participate in any RSCO event, regardless of the level of risk, without a signed waiver from a parent or legal guardian.

Claims brought as a result of negligence by an RSCO as a group or an individual may not be covered by the College. In such cases the RSCO or individual members may be liable. The information presented above provides general guidance but, due to the complicated nature of risk, does not cover all scenarios. If you have questions about liability or would like assistance in evaluating risk for an RSCO event, please contact the Office of Student Involvement.

## Section 10 Marketing & Recruiting

---

Best contact: [Student Involvement](#)

RSCOs may advertise and/or promote their student organization and its activities and programs on and off campus in a variety of ways.

Marketing mediums available to RSCOs:

- Do More
- Social Media
- Campus Banners
- Public Bulletin Boards
- Campus Monitors
- All Student Email

## Electronic Slides for Campus Monitors

RSCOs are allowed to advertise events around campus on the monitors located in a variety of buildings. RSCOs must submit slides to Communications and Marketing. Each monitor is controlled by an individual staff owner so slides may appear at different times (or not at all) around campus.

## Posting & Distribution of Flyers or Posters

### On Campus

All pamphlets, handbills, posters or flyers should clearly identify the following:

- Author or Sponsoring Group
- Event Date
- Time and Location
- Special Event Requirements (Over 21, Family Friendly, etc.)
- Student Involvement accessibility statement:
  - “LC State welcomes participants with disabilities. For questions or to request disability related accommodations, please contact the Office of Student Involvement 208-792-2717 or [studentinvolvement@lsc.edu](mailto:studentinvolvement@lsc.edu) at least one week prior to the event. In all situations, a good faith effort will be made to provide accommodations.”

RSCOs planning on distributing flyers, handbills, or pamphlets in public areas should coordinate with the Office of Student Involvement ahead of time.

It is prohibited to post flyers, handbills, or posters on any structure or natural feature of the campus. These features include vehicles, doors, windows, sides of buildings, the surface of walkways or roads, fountains, posts, waste receptacles, trees, or stakes.

### Outside of Residence Halls

RSCOs are allowed to post flyers and posters around campus only on approved campus public bulletin boards. RSCOs must comply with regulations regarding posting of flyers held with each approving individual.

### Inside of Residence Halls

Best Contact: [Residence Life](#)

To distribute flyers/posters in residence halls, RSCOs must work with Residence Life located in Tarkington Hall, Basement.

Procedure for residence hall postings is:

1. Get flyer approved: Bring a copy of your poster or flyer to the Residence Life Office during business hours. They may reject your flyer, so it is a good idea to wait to make copies until you have an approved version.
2. Make copies, count, and label: RSCOs must make enough copies for all the residence halls and sort them by hall. Residence Life can tell you how many flyers are needed for each hall.
3. Bring copies to Residence Life: their staff members will put up the flyers for you, the week of the planned event. RSCOs may not post flyers themselves.

### Off Campus

RSCOs may distribute and post marketing materials off campus as long as it does not violate local, state, or federal law. RSCOs are responsible for checking with the proper authority before posting in off campus spaces.

## In Person Marketing & Recruiting

Tabling

Best contact: [Student Involvement](#)

Setting up a table is a great way for RSCOs to connect with students passing by. RSCO Advisors can request a tabling location through 25Live.

When tabling, RSCOs may not impede traffic by sitting, standing, or placing materials in front of the table. RSCOs are also required to practice passive information distribution by allowing people to pass through the space free from aggressive contact.

## Section 11 Conduct & Hazing

---

RSCOs and their members are expected to follow all federal, state, and local laws and ordinances, as well as all college policies including the Student Code of Conduct and procedures outlined in this manual. RSCOs either as a group or individual members, will be held accountable for policy violations. The Office of Student Involvement, the VP of Student Affairs, or both offices may investigate and adjudicate policy violations.

### Hazing

LC State prohibits RSCOs from hazing members, prospective members, or other persons seeking to obtain benefits for services from any of those organizations.

Hazing takes various forms, but typically involves endangering the physical health of an individual or causing mental and/or emotional distress through humiliation, intimidation, or demeaning treatment. Sometimes hazing involves pressure to drink alcohol, which can have a significant effect on one's physical and emotional health.

Any activity as described in the follow definition; upon which the initiation or admission into or affiliation with or continued membership in a RSCO is directly or indirectly conditioned shall be presumed to be a "forced" activity.

Definition of hazing.

LC State defines hazing as:

“any action or participation in any activity that (1) causes or intends to cause physical or mental discomfort or distress, (2) may demean any person, regardless of location, intent or consent of participants, or (3) destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in, a group or organization.”

With regards to hazing, RSCOs should be aware that:

- Acts are still considered hazing even if the victim has expressed or implied consent
- While hazing typically involves new members, current members of a group can be hazed
- Hazing can take physical, mental, or emotional forms.
- Hazing is often about power and control, it does not create unity
- Context matters: while some behaviors constitute hazing regardless of context (e.g., paddling, use of alcohol), others depend on the circumstances

Reports of Hazing will result in the full range of disciplinary sanctions pursuant to college's disciplinary processes and/or debarment from use of College facilities for not only the a RSCO but the individual members associated with the hazing incident.

## Reporting

Violations should be reported to the Office of [Student Involvement](#).

## Judicial Processes

Any RSCO violating the RSCO Policies and Procedures, Student Code of Conduct, College Policies or Procedures, student rights, or any accused misconduct will be investigated. The RSCO Advisor, and when applicable the individual members will receive a notice via email explaining the nature of the alleged violation.

Depending on the severity of the incident, an incident meeting will be a scheduled with the Coordinator of Student Involvement and/or the Vice President of Student Affairs. A day and time to meet will be scheduled. If the afflicted parties are not able to attend because of an academic conflict, it is the student's responsibility to reschedule the meeting. Failure to attend or reschedule the incident meeting may result in the meeting taking place in the RSCO's absence, and the RSCO may be held responsible for the violation without the benefit direct input.

After evaluating evidence disciplinary action may be taken.

### Disciplinary Action

RSCOs or individuals that face disciplinary action may face any combination of the following outcomes:

- Fines
- Loss of privileges
- Change in RSCO operational status

Should a change in operation status occur the last known Advisor will be notified by the Coordinator of Student Involvement via an email and written memorandum.

**Probation-** RSCOs that are placed on probation will be granted a period of one semester (16 weeks), from the date of the first notice, to redeem the misconduct. RSCOs on a probation status will be required to meet with the Coordinator of Student Involvement to create an action plan that will detail the steps required to be moved into a fully active status and will sign a conduct contract.

During the period of probation, the RSCO will have their RSCO privileges restricted and will be required to work directly with the Office of Student Involvement on all aspects of operation.

Failure to complete the probation plan within the given semester the RSCO will be placed on suspension and will have their RSCO status revoked.

**Suspension-** RSCOs on suspension will have all the privileges granted to RSCOs revoked. The suspension of a RSCO will be for one academic year (32weeks), from the date of the first notice. During this year the Advisor of the RSCO, and when applicable the Division Chair must meet with the Coordinator of Student Involvement to discuss the continuance of the RSCO at LC State.

**Withdrawal of Recognition-** Includes indefinite loss of all the privileges granted to RSCOs along with the loss of existing funds and assets. The reallocation of funds and assets will be processed in accordance to the financial policy outlined in this manual.

## Appeals

Appeals will only be granted in cases where new evidence is discovered or procedures were not followed. RSCOs wishing to appeal a decision of the Office of Student Involvement, including Withdrawal of Recognition should follow these steps:

1. File a written request of appeal with the Office of Student Involvement, within five (5) business days of the original decision.
  - a. Within five (5) business days of the received request. A three-person panel, of unaffiliated members (2 student, 1 faculty/staff) will be selected by the Coordinator of Student Involvement to review and rule on the request of an appeal.

- b. The decision of the panel will be made within ten (10) business days or receipt of the appeal request and will be final except in the case of Withdrawal of Recognition.
2. A written copy of the findings and ruling will be provided to the RSCO Advisor, Coordinator of Student Involvement and the Vice President for Student Affairs.

### Subsequent Appeals – Withdrawal of Recognition

Subsequent appeals must be submitted in the following manner to the Vice President for Student Affairs:

1. File a written request of appeal with the Vice President for Student Affairs with in five (5) business days of the decision of the selected panel.
  - a. The VP can request and review the written and oral arguments as required.
2. The Vice President for Student Affairs or the President of the college may overturn all decisions of the appeals panel.
