

Washington State Course Equivalents for Pre-Nursing at Lewis-Clark State College

First Year Fall Semester @ WSU	First Year Spring Semester @ WSU	Sophomore Fall Semester @ WSU	Sophomore Spring @ WSU
<p>Chem 101 (not an LCSC requirement) Introduction to Chemistry These credits will count as electives at LCSC</p>	<p>Biol 107 (4) (not an LCSC requirement) Introductory Biology: Cell Biology and Genetics</p>		<p>HD 101 (3) Human Development Across the Lifespan</p>
<p>WSU Program Requirements that are equivalent to LCSC classes</p>	<p>WSU Program Requirements that are equivalent to LCSC classes</p>	<p>WSU Program Requirements that are equivalent to LCSC classes</p>	<p>WSU Program Requirements that are equivalent to LCSC classes</p>
<p>Psych 105 (3) Introductory to Psychology</p> <p>*[ARTS] (3) Fine Art 101, Music 160, 161</p> <p>[DIVR] (3) Anthropology 101, 203 or CES 101</p> <p>[ROOT] (3) History 105</p>	<p>Chem 102 (4) Chemistry Related to Life Sciences <i>Offered spring & summer semesters only</i></p> <p>Soc 101 or 102 (3) Introduction to Sociology Social Problems</p> <p>[WRTG] (3) English 101</p>	<p>Biol 251 (4) Introductory Human Physiology <i>Offered fall & summer semesters only</i></p> <p>MBios 101 (4) Introduction to Microbiology</p> <p>Stat/Math 212 (4) Introduction to Statistical Methods</p> <p>[WRTG] or [COMM] (3) English 201/Comm 102 or HD 205</p>	<p>Biol 315 (4) Gross and Microanatomy</p> <p>Biol 333 (3)^ Human Nutrition</p> <p>*[HUM] (3) English 108 or foreign language</p> <p><small>^BIOL 140 is accepted at LCSC but may not transfer to other advance practice programs</small></p>
<p>This plan outlines the specific classes at WSU that will transfer to LCSC. If you wish to qualify for both WSU and LCSC nursing programs, there are specific classes that are needed only for the WSU College of Nursing. In addition, there are three courses needed by the LCSC nursing program that are not required for the WSU program.</p> <p>Students must maintain a minimum Sci/Stat GPA of 2.75; this includes Chem 102, Physiology, Anatomy, Microbiology and Statistics. A minimum grade of “C” is required in each of the science classes and statistics. In addition, nursing support courses all require a minimum grade of “C”. Because LCSC has a competitive application, the average Sci/Stat GPA of admitted students is around a 3.2.</p> <p>LCSC’s BSN applications are accepted every fall and spring via www.NursingCAS.org. See our website for deadlines as well as details on CNA requirement and prerequisite coursework. www.lcsc.edu/nursing/bsn-basic-track/</p> <p><i>*This course may also be taken online after admittance to the BSN, during a summer prior to graduation.</i></p> <p><i>For questions, please contact Tiffany Pilon, Program Advisor for Nursing & Health Sciences Division at LCSC. Phone: (208) 792-2087 or email: tbpilon@lcsc.edu</i></p>			<p>LCSC Specific Requirements</p>
			<p>BIOL 312 (3) Pathophysiology (<i>Offered online and on-campus every fall/spring. Has pre-req of Anatomy, Physiology, Microbiology and Chem 102.</i>)</p> <p>[WRTG] or [COMM] (3) If Engl 201 or Comm wasn’t taken previously, must complete both before starting BSN.</p> <p><i>*Integrative Seminar (ID 300/301) Can take Phil 365 Biomedical Ethics at WSU. Will be waived if a prior degree has been obtained.</i></p>
