Describe the duties of this position.

The Visitation Assistant's primary responsibility will be to deliver campus tours to prospective students and their families during our daily visitations. These hour-long walking tours will showcase our beautiful campus, different programs, historical and state-of-the-art buildings, and offer glimpses of what life is like for LCSC students.

Secondly, the Visitation Assistant will assist in advising the Explorers (student volunteers) with Rachel Peasley, the current staff advisor. In addition to training new Explorers in giving campus tours, these responsibilities will include overseeing monthly meetings, helping to organize student coverage at campus events such as Discovery Day, Ready LC, LC Connection, and Warrior Registration, and communicating with other Explorers.

Thirdly, the Admissions Office would like to use the Visitation Assistant to support our Visitation Coordinator in organizing group visits. These visits are often time-intensive in the development and planning processes, and require much communication with other campus divisions and offices to organize an agenda that meets the needs of the student visitors and the requests of their chaperones.
