

# Change to Single Sign On (SSO) Student Accounts

## *Coming Summer 2024*

LC State is transitioning away from LCMail (Gmail) and moving to WarriorMail (Microsoft). Moving to a Microsoft system will allow us to utilize SSO.

Current Configuration		New Configuration
Each system has its own password	➔	One password for all systems (Canvas, WarriorWeb, WarriorMail, etc)
Log in to each system through separate websites	➔	Log in through a single portal called WarriorHub
Current student email account ends in @lcmail.lcsc.edu	➔	Current and new students receive a new email account ending in @students.lcstate.edu
Multi-factor Authentication only available for LCMail	➔	Multi-factor Authentication will protect all systems
WarriorWeb, Microsoft, and LCMail accounts are never deleted	➔	Accounts disabled one year after non-attendance or graduation
Username may not have numbers (jjwarrior@lcmail.lcsc.edu)	➔	New username will include numbers (jjwarrior1234@students.lcstate.edu)
The password requirement for systems is eight characters and passwords never expire	➔	The password requirement for systems is 14 characters and passwords expire every six months, per industry standard
