Division Chair, Nursing and Health Sciences
Lewis-Clark State College
500 8th Avenue
Lewiston, Idaho 83501

Dear (find name of the current Chair online under Faculty links):

I am applying for the Pre-Provisional Admission Status for the BSN program that your division offers. Please find the required Portfolio and documents enclosed with this letter. Contact me if there is anything missing or if you have questions.

In submitting this document, I understand there are requirements that I must uphold if I am awarded Pre-Provisional Admission Status. Those include:

- maintaining a high GPA in all pre-requisite coursework
- conforming to the Degree Plan that I constructed and have included in this portfolio, unless permission is granted to change courses
- understanding the program requirements as listed in the Program Admission information provided on your website

My application for acceptance by my military program is due _____. I would greatly appreciate hearing your decision regarding my Pre-Provisional Admission status by _____.

If awarded acceptance by both the BSN program and the (insert military branch), I plan to arrive in time to begin classes:

(Semester/Year) for completion of my pre-requisite courses at LCSC; then
(Semester/Year) to begin my nursing coursework

Thank you again for this opportunity. Please contact me for any questions or concerns.

Very Respectfully,
