<sup>‡</sup> All Idaho nursing schools operate under the Idaho Statewide Nursing Articulation Agreement, which is designed to facilitate the progression of nurses from one educational level to the next. This agreement provides for escrow credits, which are a means for nurses to be granted academic credits for previous nursing knowledge. There is a fee of \$10.00 per escrow credit to have these credits appear on the student's transcript.			

Complete all required/elective coursework for the DTA/MRP degree at Community Colleges of Spokane.

- This advising guide is based on completion of an Associate in Nursing DTA/MRP degree at Community Colleges of Spokane.
- Students who transfer without a DTA/MRP will need to work with an LCSC advisor for general education core requirements.
- The "X" in the LCSC column indicates the class would transfer from CCS.

*Major credits may not duplicate General Education courses*
