Students are responsible for consulting LC-CDA adviser for specific information, as LCSC Bachelor's Degree REQUIRES a minimum of 120 credits.
 The information in this guide is subject to change and does not constitute an agreement between the college and the student.

- This advising guide is based on completion of an Associates degree (AA/AS) at College of Southern Idaho with additions made to meet lower division requirements.
- Students who transfer without an AA/AS may need to take additional LCSC General Education core courses.
- 32 Residency (LCSC) credits required for graduation.
- 36 credits must be upper division.
- The "X" in the LCSC column indicates the class would transfer from NIC.

Students must earn at least a "C" in all major courses and at least a 2.5 GPA in all business courses combined, including Accounting & Economics.
