Changes Effective Spring 2021: The hold for approval from Student Accounts and Financial Aid after Day 5 is no longer required. The only required approvals to add sections is instructor only between Day 6-Day 10 and both instructor and division chair after Day 10. The Registrar's Office will notify Student Accounts and Financial Aid when a registration change occurs for a student enrolled in or adding an 8-week course and both offices will review the student's records and follow-up with the student only if necessary. The student can opt to reverse their registration change if it results in a financial issue for the student.
