

CRC Meeting 12/6/13 Minutes:

- 1) President Fernandez and Chet Herbst gave an overview of the process and stated what they need for the committee to accomplish.
- 2) The committee reviewed the recommendations from CRC from last year and an update on what initiatives were funded and which ones were not.
- 3) The group decided to continue to use the Alder drive as a repository of information.
- 4) First goal of committee is to provide President Fernandez with facts and anecdotal evidence that can be used to bolster the case for a CEC plan to the legislature. The committee discussed the following as possible talking points.
 - a. Faculty- costs associated with searches and problems with recruitment due to low pay.
 - b. CSO/PSO- high turnover rates due to low pay and costs/time associated with training. The learning curve can affect the experience for students.
- 5) Action Items
 - a. Heather-
 - i. Sort through files on Alder drive and update with most recent information. (due 1/3/14)
 - ii. Compile interim report and distribute to committee for feedback (due 1/3/14)
 - b. Trudy/Howard/Lindsey (Vikki)- to provide files/information as requested
 - c. Alex- to provided concrete examples associated with faculty that can be used for interim report (due 12/23)
 - d. Theresa/Elizabeth- to provide concrete examples associated with CSO that can be used for interim report (due 12/23)
 - e. Traci/Jeff- to provided concrete examples associated with PSO that can be used for interim report (due 12/23)
