### Graduation Requirements

- Resident Credits  
- 32  

- Upper Division Credits  
- 36  

**TOTAL WWCC & LCSC Credits:**  
137  

---

At WWCC, a minimum grade of "C-" is required for Gen Ed courses and a minimum 2.0 GPA is required to qualify for Associate’s Degree.  

LCSC teacher education program requires a minimum cumulative 3.0 gpa and a minimum 3.0 gpa in the content area.

---

*This advising guide is based on completion of an Associate’s of Arts-DTA degree in Kinesiology: Secondary Education at Walla Walla Community College with additions made to meet lower division requirements.*

*Courses used to fulfill specific general education core requirements cannot be double-counted to fulfill LCSC program requirements.*

*Semester credits are displayed in the LC Express plan. Quarter credits are converted to semester credits by multiplying the quarter credits by .67.*

*32 Residency (LCSC) credits required for graduation/36 must be upper division.*

*The “X” in the LCSC column indicates the class was likely transfered if student chose WWCC elective.*

*Completion of a degree in Secondary Education Kinesiology leads to a State of Idaho Standard Instructional teaching certificate with endorsements in Physical Education K-12 and Health 6-12.*

*The LCSC teacher education program is nationally accredited by the Council for Accreditation of Educator Preparation (CAEP) and state-accredited by the Idaho State Department of Education. Because the State of Idaho is a member of the NASDTEC Interstate agreement, your Idaho teaching credential will be accepted by other states that are also members of NASDTEC. Conditions uniquely applicable to a specific state's certification may apply (e.g., additional testing, coursework, etc.). If you need further clarification, please contact the Division of Teacher Education at 208-792-2260.*
