Graduation Requirements			
General Education		37	
Program Requirements		27	
Psychology Selectives		18	
General Electives		38	
TOTAL NIC & LC State Credits		120	

Students are responsible for consulting LC-CDA adviser for specific information as LC State Bachelor's Degree REQUIRES a minimum of 120 credits.

The information in this guide is subject to change and does not constitute an agreement between the college and the student.

- This advising guide is based on completion of an Associates degree (AA/AS) at North Idaho College with additions made to meet lower division requirements.
- Students who transfer without an AA/AS may need to take additional LC State General Education core courses.
- 32 Residency (LCSC) credits required for graduation.
- 36 credits must be upper division.
- The "X" in the LC State column indicates the class would transfer from NIC.

Major credits may not duplicate General Education courses. No grade lower than a "C" will be accepted for a PSYC Major Course.
