General Electives		8	
Major Courses		75	
TOTAL BMCC & LC State Credits			L

Students are responsible for consulting LC advisor for specific information, as LC State Bachelor's Degree REQUIRES a minimum of 120 credits.

The information in this guide is subject to change and does not constitute an agreement between the college and the student.

- This advising guide is based on completion of an Associates degree (AA/AS) at Blue Mountain Community College with additions made to meet lower division requirements.
- Students who transfer without an AA/AS may need to take additional LC State General Education core courses.
- 32 Residency (LC State) credits required for graduation/36 credits must be upper division.
- The "X" in the LC State column indicates the class would transfer from CWI.

Students must earn at least a "C-" in all major courses and at least a 2.5 GPA in all business courses combined, including Accounting & Economics.
