Complete all required/elective coursework for the AAS degree at Blue Mountain Community College.

- This advising guide is based on completion of an Associate of Applied Science degree (AAS) at Blue Mountain Community College with additions made to meet lower division requirements.
- The "X" in the LC State column indicates the class would transfer from BMCC
- 32 Residency (LC State) credits required for graduation.
- 36 credits must be upper division.
- AAS General Education credits taken during the AAS may be used to partially fulfill these requirements.
- An additional 21-24 credits beyond the AAS in General Education content areas will be necessary to fulfill LC State requirements.

Students must earn at least a 2.5 GPA in all business courses combined, including Accounting & Economics.
