

**COMMENCEMENT 2021**

**Here are your four (4) tickets for Commencement!**

Dear Graduate & Family,

I'm looking forward to seeing you at the commencement ceremonies in a few weeks! Every graduate participating in one of the commencement ceremonies receives the enclosed four tickets for their guests, including children. **Each individual guest must have a ticket.** We had to apply for and received special large group gathering permission from public health to hold these live events. And so, to comply with state and local public health guidelines and restrictions related to large gatherings, these are the only tickets you will be issued. There are no duplicate or replacement tickets.

Seating in the stadium will be first come, first seated, with ushers assisting to assure compliance with social distancing protocols. Face coverings will be required for everyone while on the LC State campus. We are so incredibly grateful to be able to conduct these live events and ask that you help us make them successful by complying with the COVID-19 safety protocol requirements.

Please carefully read the following information so you are fully informed of the expectations for this year's commencement events.

Looking forward to celebrating with you on May 14th! We did it! We made it! And We Are PROUD!

Dr. Cynthia Pemberton  
President
